[Scalyr Launches PowerQueries For Advanced Log Management](#)

Cuts your set up time in half. No poles to set up.

AIR OPUS®
TENT INFLATION TECHNOLOGY

AIR OPUS®
4-6 Sleeper
Can sleep up to 6 people

**YES! the
Tent Canopy
& Annexe
Inflates**

Standard inclusions only

Finance available **

"Makes camping accessible to everyone."
Australian Good Design Awards Winner 2017

The Air OPUS® camper trailer utilises the latest air beam tent technology, so that the main tent canopy and annexe inflates rather than being manually erected using metal poles. It provides great space, comfort and convenience for adventurous families, ready to tow anywhere behind a typical family SUV or 4WD.

OPUS®
CAMPER TRAILERS

PCT Patent Pending GB/2017/050391 & Australian Patent Pending 2017902549 Design Registration No. 201712065 & No. 201712062
